Sneha you are a wonder woman! Nobody could have done better than what you did as my makeup artist. All the love and support throughout the planning and your presence was just like a close friends.

For anyone who's looking for a makeup artist.. I strongly recommend to go to her!! It was a wonderful experience to have her as my wedding makeup artist. I guess like most of the girls I was super worried about my look.. not too much, not too bright, subtle and my very best. She did exactly what I needed, made me feel comfortable answering all my questions and concerns. My skin is super sensitive and she took care of it so well. Proposed brilliant look and pulled it off so well!! Everyone loved her work!

If you are looking for a make up artist who can glam you for the occasion as you like, without losing your real face. Sneha is the right person to get in touch with. She will make sure you get all your beautiful features highlighted well.

Professional artist - punctual and too the point with her makeup skills. Love her work.

She had increased my expectations to a point where no make up studio or artist can reach. I would love to get her services again.
